Creative & Critical Thinking Camp 2017 (CCT)

CCT – IMIM was held on 21 and 22 October 2017. On 21st October 2017 it was held in Cybernate International College and on 22 October 2017 it was held in Wisma Permim. A total of 32 students participated in the camp for primary school students.

Creative & Critical Thinking Camp 2017 (CCT)

Another camp for primary school children was held from 27th October 2017 till 29 October 2017 at Agro Resort Semuji, Pahang. A total of 37 students participated in the 3 day camp. This camp was held mainly for Orang Asli students.

CCT – ALC SMK Sri Pantai

CCT ALC is held for the first time at SMK Sri Pantai for Form 3 students as a pilot project. The first training was held on 25 October 2017, 2nd training on 26 October 2017 and 3rd training was held on 31 October 2017. The trainings were held from 8.00 am till 1.30 pm. A one-to-one session was held with the students on 3 November 2017. The final competition will be held on 17 November 2017.

Pertandingan Inovasi Kreatif J-BIOTECH 2017

On October 8, 2017, 2 teams from SMK Taman Mount have qualified for the final of *Pertandingan Inovasi Kreatif J-BIOTECH 2017* (state level) at *Expo Johor Berkemajuan 2017*, Bandar Iskandar (Johor). They were ranked 7th with the invention XO-SHELF and 8th with XO-SWITCH bringing home a plug and RM500 cash prize each. The teams were guided by Cikgu Sahrul, Cikgu Fadhli, Cikgu Nezhan and Cikgu Faezah. There are 2 more competitions to be attended later by the school.

International Young Inventors Award, Indonesia (IYIA 2017)

Ciptaan sabun dari sisa makanan menang emas di Jakarta

MENTAKAB - Empat murid Sekolah Kluster Kecemerlangan Sekolah Jenis Kebangsaan Tamil (SKJT) Bandar Mentakab meraih pingat emas dalam pertandingan Anugerah Muda Inovasi Antarabangsa di Universiti Mercu Buana, Jakarta, Indonesia baru-baru ini.

Guru Besar, James Pichai Pillai berkata, pasukan ini diwakili R Yukendar, B Sasrin, M Nagendran dan J Yashini di pimpin guru pengiring R Suguneswary.

"Mereka mencipta sejarah mewakili sekolah-sekolah rendah di Malaysia menyertai lebih 700 wa-

kil peserta dari luar negara membuat kejutan melalui hasil produk yang dicipta.

"Mereka mencipta empat jenis Detergent Herba (Natural e Herbs Detergent) dari sisa makanan yang dibuang dengan tunjuk ajar oleh guru Suguneswary dan Selvendran.

Mereka mengambil masa lebih enam bulan mencipta produk ini selepas beberapa proses uji cuba bagi memastikan kesahihan produk yang diciptanya.

James berkata, selain itu, mereka terlebih dahulu meraih pingat emas dalam pertandingan berkenaan.

Tiga daripada empat murid yang mewakili SKJT Bandar Mentakab dalam pertandingan Anugerah Muda Inovasi Antarabangsa di Jakarta, Indonesia.
