- Book to Reduce Crime

A-PLUS Programme

The second workshop for A-PLUS (ASTI Progressively Learning and Understanding Science) programme which is for SFYC Alumni students for 2019 was held in Selangor for schools in Selangor state on 18 May 2019. A total of 16 Form 1 students participated in the workshop held at SJKT Taman Permata, Dengkil. This is the second of the 3 workshops to be held in Selangor state.

Zone Level Science Fair 2019

Some Zone Level Science Fair 2019 was held on 11 May 2019 in Penang, Perak, Negeri Sembilan, Malacca and Pahang.

Perak

Malacca

DISTED 2nd Annual Mathematical and Science Olympiad

DISTED 2nd Annual Mathematical and Science Olympiad was held on 13th April 2019 and 27th April 2019 respectively in DISTED YCE Heritage Campus. This programme is endorsed by ASTI.

Book to Reduce Crime

ASTI would like to thank Dato' A. Thaiveegan who has written a book for Tamil schools and donated some to ASTI. The book talks about crime prevention and mitigation among the Indian community. The title of the book is "Vanmurai Vendam Thambi".
