

COMPETITION FLOW

2021

Objective

The purpose of this document is to explain to the participants the flow of the Young Inventors Journal (YIJ) Paper Writing / Video Category Competition and for better understanding for the participants. A paper proposal has to be submitted by participants for paper/video.

* The shortlisting will be done in batches. Thus, the earlier you submit your proposal, the earlier the judges can give you feedback if your proposal has been accepted – and thus you can start working on your paper/video earlier.
