500 GLOBAL

500

500 Global (formerly 500 Startups) is a venture capital firm with \$2.7B in assets under management that invests early in founders building fast-growing technology companies. We focus on markets where technology, innovation, and capital can unlock long-term value and drive economic growth. 500 Global has backed over 5,000 founders representing more than 2,700 companies operating in 81 countries. Our portfolio includes 49 companies valued at over \$1 billion and 150+ companies valued at over \$100 million each (including private, public, and exited companies). Our 180+ team members are located in 27 countries and bring experience as entrepreneurs, investors, and operators from some of the world's leading technology companies.

500 SOUTHEAST ASIA

500 Global's Southeast Asia family of funds have backed over 270+ companies across multiple sectors from internet to consumer to deep technology; these companies have gone on to raise a total of US\$20 billion in follow-on funding. 500 Global is ranked as a top early unicorn investor in Southeast Asia, having backed billion-dollar companies Grab, Bukalapak, Carousell, Carsome, Prenetics, and FinAccel. This is just the beginning - we are actively growing to serve more founders, as well as connect startups with capital, expertise, and global networks to help them succeed.
