

Using Picture News with lower secondary

2-hour 30-minute training course

Picture News produce an award winning, thought-provoking news resource for over 5,000 schools in the U.K. For the first time, we will be in Malaysia to explain the impact and opportunities that learning both from and about the world can bring.

In this half-day session, we will provide a comprehensive overview of Picture News, a weekly news based discussion resource. We will explore the benefits of using the news in supporting debating skills, critical thinking and increasing empathy. Real-life case studies and examples from the UK will be provided throughout.

Speaker Profile: Katie Harrison

Former teacher and education consultant, Katie Harrison founded Picture News in 2016, with the aim of providing resources and support for teachers to lead thought-provoking and interesting conversations about what is happening in the world. In the company Katie's role is to produce weekly content alongside teaching team as well as supporting and leading training for teachers.

Learn:

- How to structure and lead debate sessions with lower secondary aged pupils.
- An overview of Picture News, and how to get the most out of the resource.
- A range of easy to implement and fun ideas to bring the news to life in your classroom.
- How to select news content suitable for different ages.
- The power of using images from the news to stimulate discussions.
- How to encourage pupils to ask 'big questions' to encourage critical thinking skills.

All attendees will receive 4 free news packs each week, full of ideas following the briefing.

Suitable for: Secondary teachers and staff who are currently using or interested in using Picture News.

Up to 10 schools will receive a free subscription to picture news as a pilot programme
