ASTI Chinese New Year Greetings

ASTI would like to wish all celebrants a very happy and prosperous Chinese New Year!

Debating With Respect (DWR)

ASTI Malaysia and Picture News United Kingdom recently launched the first "Debating with Respect" (DWR) 2023-2024 as a pilot for Malaysian and UK students on the 4th October 2023. We received registration from a total of 41 teams from various schools in Malaysia out of which 36 teams submitted their video for shortlisting on the question "Will Artificial Intelligence (AI) change the world for better?"

The judging panel evaluated and shortlisted the best 8 teams for the Malaysian Round of Debate on 6 January 2024. The recordings of the Malaysian Round Debate were amazing and are now available to watch online at your leisure in the following link <https://shorturl.at/ortu9>
