NEWS

Bett Asia

ASTI was proud to partner for the second time with BETT Asia, one of the largest EdTech (Education Technology) Conference and Exhibition. Based on the yearly BETT event in London, BETT Asia brought together a panel of experts and providers within the sector. This year, the event was held in Kuala Lumpur on 2 & 3 October 2024.

NEWS

Education Loans and Scholarships in Malaysia

We are pleased to share our latest study, "Benefits and Limitations of Scholarships and Education Loans for Malaysian Learners with Policy Recommendations to Improve Outcomes." This report explores the landscape of education financing in Malaysia, examining both the advantages and challenges faced by students. It offers key insights and policy recommendations aimed at enhancing the effectiveness of scholarships and loans for the benefit of learners across the nation.

Read the full report to learn more about how we can improve educational access and equity for all Malaysians.
