HEADLINES

Young Inventors Challenge (YIC) 2026

Celebrating its 14th year, Young Inventors Challenge (YIC) has grown into an international platform inspiring young innovators across Southeast Asia to turn ideas into impactful solutions.

Join us on this inspiring journey.

- Open to students aged 13–17
- Form a team (2–5 members)
- Theme: Sustainable Development Goals (SDGs)
- Fully ONLINE & FREE participation
- Win exciting prizes & gain valuable experience

From idea to prototype, this is your chance to innovate, solve real-world challenges, and make a difference!

Register now at www.asti.org.my/yic2026

Young Inventors Challenge (YIC) 2026 Official Launch

The Young Inventors Challenge (YIC) 2026 was officially launched on 7 April 2026 at 2.00 p.m. at Menara MBSB Bank, PJ Sentral.

Organised by ASTI, YIC continues to inspire young innovators to develop creative solutions to real-world challenges. The 2026 edition focuses on the United Nations Sustainable Development Goals (SDGs), encouraging participants to contribute towards a more sustainable future.

Young Technopreneurs Challenge (YTC) 2026

The **Young Technopreneurs Challenge (YTC) 2026** is officially open for registration! Participants will have the opportunity to develop their ideas, sharpen their entrepreneurial skills, and compete in this online challenge. Participation is free.

Who Can Join?

- Category 1: Students (13–19 years)
- Category 2: Young Adults (18–30 years)

Whether you are a budding inventor, aspiring entrepreneur, or passionate problem-solver, YTC 2026 is your platform to turn ideas into action.

GENERAL NEWS

EDUtech Asia 2026

EDUtech Asia 2026, themed *"Human-centred education, powered by AI and tech,"* brings together over 8,000 educators, policymakers, and industry leaders from across the region to explore the future of education. The event features a paid conference and workshops with insights from 350+ experts, covering key areas such as AI in education, curriculum design, leadership, and student outcomes. Participants can also join hands-on pre-conference workshops for deeper learning. In addition, a free-to-attend exhibition showcases 200+ edtech providers, alongside open stages offering practical talks and live demonstrations—providing valuable ideas and solutions that can be applied directly in educational settings.

Dates: 4-5 November 2026 (Conference & Exhibition), 3 November 2026 (Pre-conference workshops)

Venue: Sands Expo and Convention Centre

For ASTI members, enjoy 15% off paid passes. Use the promo code: **ASTIEDU15**
